

Dear Lill;

I hate to send you  
news of this ruined rat.

Horace poor d- d is doing his best. I just hope that your patience will hold out and if Horace does succeed in getting Harvard Nettie to state a definite figure of say  $\$25^{00}$  per case you and Rose Tues made out let them draw on you for their undrawn parts. Fingers crossed in making

+ deeds allse here a gunt claim  
Moes for me + quick to sign.  
as paper due to me bright not fully  
dwest me of any title.

Yours Pitt

Had a note today from Carl  
Senns that things are in good  
shape
